Dear Mr. Conroy,

In a document dated December 1, 2004, the Connecticut Department of Energy and Environmental Protection (DEEP) submitted several regulations to you for approval into the State Implementation Plan (SIP), including section 22a-174-18 of the Regulations of Connecticut State Agencies (RCSA) as revised effective April 1, 2004. On January 14, 2013, DEEP submitted a supplement to you addressing how the April 1, 2004 version of RCSA section 22a-174-18 meets the requirements of section 110(l) of the Clean Air Act.

DEEP would like to modify the submittal of RCSA section 22a-174-18 by withdrawing one provision from consideration as part of the SIP. Specifically, DEEP is withdrawing the phrase "and malfunction" from subsection (j)(1). A copy of RCSA section 22a-174-18 with the withdrawn portion indicated in strikethrough font is included as Attachment A to this letter.

If you have any questions, please contact Merrily Gere of my staff at (860) 424-3416.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Anne R. Gobin".
